## REGISTRATION & SPECTATORS

We're excited to see you at the start line! To make your registration smooth and speedy on race day, here's what you need to know:

1. **Have Your Ticket Barcode Handy:** Before you leave home, make sure to locate your ticket barcode and take a screenshot! You can find it at the top of the confirmation email you received after registering. If you can't find it, follow these instructions to retrieve it.
2. **Bring Your ID:** Don't forget to bring a valid photo ID. You can't check in without it!
3. **Spectators Need Tickets Too:** If you're bringing friends or family to cheer you on, please ensure they've pre-purchased their tickets and have their barcodes ready. This will help us get everyone through check-in and off to the party, quickly. Spectator tickets can also be purchased at the event, but we only accept credit or debit cards.
4. **Arrive Early:** Aim to arrive 45-60 minutes before your start time. This gives you plenty of time to park and check in without rushing.

**Pre Event:** If you'd like to see the behind the scenes of what goes into putting on a 5K, this is the perfect shift for you!

**Registration:** Check in racers, answer questions and provide racers with their race packets. If you're good with computers and can put a smile on bright and early in the morning, this is the perfect shift for you! You may be asked to join the party and volunteer at the Finish Line to end your day!

**Full Event Day** volunteers help with race day operations at the start corral, finish line, and other festival activities. After the festival closes, help with breakdown of tables, tents, and fencing. If you want front-row action for the event, this shift is for you!

**Morning/Afternoon** volunteers support the Festival Team during race day operations. This includes the start corral, finish line, and festival. You will also help close and break down the festival area.
